## A new motor company has joined JHyM

**Japan H2 Mobility (JHyM) welcomes a new motor company, BMW Japan Corp., for further support for hydrogen stations in Japan. Now, participating companies are 36 including 8 motor companies after we started with 11 companies in February of 2018.**

BMW Japan Corp. is the 5<sup>th</sup> newcoming motor company since JHyM was established, which is the Japanese subsidiary of BMW AG in Munich, Germany. Since 2023, they have introduced some numbers of experimental FCVs, the iX5 Hydrogen, to Japan.
